CAMPUS AREA

The college campus is located in the heart of Thrissur in an area of 3.02 Acres of land ensuring adequate availability and optimal utilization of physical infrastructure to courses in B.Ed, M.Ed and Ph.D in Education as prescribed by NCTE.

CLASSROOMS

- i. College encompasses 12 well-furnished, well ventilated, spacious classrooms equipped with LCD projectors for conducting theory classes. Classrooms were equipped with wi-fi connectivity and majority of the classrooms have projectors for projecting the presentations. All the teachers are effectively using the ICT resources of the college for conducting the classes.

Auditorium & Seminar Hall

- ii. The College has one Auditorium and seminar hall with adequate ICT facilities; it is normally used for conducting national / international seminars at the college and also for outsources lectures. The students are equipped the seminar hall with their active involvement in paper presentations, group discussions, debates, etc.

LABORATORIES

- iii. The institution has five laboratories named as ICT lab, Psychology lab, Physical science lab, Natural science lab & Mathematics lab. These labs are utilized for conducting practical classes as per the requirements of the curriculum. Labs are also utilized for technology learning & training as a part of teaching contents beyond the syllabus.

a. ICT lab

iv.

Workshop

a. Psychology Lab

b. Mathematics Lab

c. Natural Science Lab

d. Physical Science Lab

AUDITORIUM

- v. The auditorium which is in the Heritage building, it allows a cool and comfortable area for students to conduct indoor programmes and film shows effectively. And the same is used for general classes and to conduct seminars of national importance.

LIBRARY

- vi. In the year 2019 our library is fully automated with KOHA 18.11 version. It offers the students and staff to refer the books and online journals effectively. The college library has a good collection of books and periodicals. And most of the students are using the online

repository offered by the UGC INFLIBNET. The both Ph.D & M.Ed scholars are getting access to various external university sites to download the journals and articles as part of their course and thesis work.
